

— EXHIBIT 1 —

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Settlement Agreement”) is entered into by and between (i) Christopher Lamie and Amabel Lin (“Plaintiffs” or “Settlement Class Representatives”), individually and on behalf of the Settlement Class (defined below); and (ii) LendingTree, LLC (“LendingTree” or “Defendant”), in the case of *Lamie et al. v. LendingTree, LLC*, Case No. 3:22-cv-00307, United States District Court for the Western District of North Carolina, Charlotte Division. LendingTree and Plaintiffs are collectively referred to herein as the “Parties.” The lawsuit being resolved is referred to herein as the “Litigation.”

I. FACTUAL BACKGROUND AND RECITALS

1. Plaintiffs assert that LendingTree, as a result of a code vulnerability, disclosed personal information, including unencrypted and unredacted full names, Social Security numbers, dates of birth, and addresses (“Private Information”) of consumers, to an unauthorized third party in February 2022.

2. On July 11, 2022, Plaintiff Christopher Lamie filed a Class Action Complaint against the Defendant that was subsequently amended on September 2, 2022, to add Plaintiff Amabel Lin. The Litigation alleges claims for damages and equitable relief based on theories of negligence, negligence *per se*, breach of an implied contract, unjust enrichment, and for violations of North Carolina’s Unfair Trade Practices Act.

3. Following arms-length negotiations, the Parties negotiated a settlement with the assistance of Hunter Hughes, Esq. at a mediation on May 30, 2023, by which the Parties agree and hereby wish to resolve all matters pertaining to, arising from, or associated with the Litigation, including all claims Plaintiffs and Settlement Class Members have or may have had against LendingTree and related persons and entities, as set forth herein.

4. Throughout their mediation session, the Parties engaged in an extensive evaluation and discussion of the relevant facts and law, and the Parties carefully considered the risk and uncertainties of continued litigation and all other factors bearing on the merits of settlement.

5. The Parties have agreed to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain and that achieving a final result through litigation would require substantial additional risk, uncertainty, discovery, time, and expense for the Parties.

6. LendingTree denies all claims of wrongdoing or liability that Plaintiffs, Settlement Class Members, or anyone else have asserted in this Litigation or may assert in the future based on the conduct alleged in the complaint. Despite LendingTree’s position that it is not liable for, and has good defenses to, the claims alleged in the Litigation, LendingTree desires to settle the Litigation, and thus avoid the expense, risk, exposure, inconvenience, uncertainty, and distraction of continued litigation of any action relating to the matters being fully settled and finally resolved and released in this Settlement Agreement. Neither this Settlement Agreement, nor any negotiation or act performed or document created in relation to the Settlement Agreement or negotiation or discussion thereof is, or may be deemed to be, or may be used as, an admission of, or evidence of, any wrongdoing or liability.

7. The Parties now enter into this Settlement Agreement. Plaintiffs and Class Counsel have conducted an investigation into the facts and the law regarding the Litigation and have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiffs and the Settlement Class, recognizing: (1) the existence of complex and contested issues of law and fact; (2) the risks inherent in litigation; (3) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement; (4) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever; and (5) Plaintiffs' determination that the settlement is fair, reasonable, adequate, and will substantially benefit the Settlement Class Members.

8. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, the Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests.

9. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Litigation be settled and compromised, and that the Releasors release the Released Parties of the Released Claims, without costs as to Released Parties, Plaintiffs, Class Counsel, or the Settlement Class, except as explicitly provided for in this Settlement Agreement, subject to the approval of the Court, on the following terms and conditions.

The Settlement Administrator shall provide wiring instructions and a properly completed and duly executed IRS Form W-9 to Defendant within five (5) days of the entry of the Preliminary Approval Order.

59. **Qualified Settlement Fund.** The Parties agree that the Settlement Fund is intended to be maintained as a qualified settlement fund within the meaning of Treasury Regulation § 1.468 B-1, and that the Settlement Administrator, within the meaning of Treasury Regulation § 1.468 B-2(k)(3), shall be responsible for filing tax returns and any other tax reporting for or in respect of the Settlement Fund and paying from the Settlement Fund any Taxes and Tax-Related Expenses owed with respect to the Settlement Fund. Any and all funds held in the Settlement Fund shall be held in an interest-bearing account insured by the Federal Deposit Insurance Corporation. Funds may be placed in a non-interest bearing account as may be reasonably necessary during the check clearing process. The Settlement Administrator shall provide an accounting of any and all funds in the Settlement Fund, including any interest accrued thereon and payments made pursuant to this Agreement, upon request of any of the Parties.

60. **Custody of Settlement Fund.** The Settlement Fund shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the entirety of the Settlement Fund is distributed pursuant to this Settlement Agreement or the balance returned to those who paid the Settlement Fund in the event this Settlement Agreement is terminated in accordance with Paragraphs 90-91.

61. **Use of the Settlement Fund.** As further described in this Agreement and in Exhibit A, the Settlement Fund shall be used by the Settlement Administrator to pay for the following: (1) Credit Monitoring Services, (2) Unreimbursed Economic Losses, Lost Time, and Alternative Cash Payment; (3) Notice and Administration Costs; (4) Fee Award and Costs as awarded by the Court; (5) Service Award payments approved by the Court; and (6) transfer of Remainder Funds to the extent any exist following the preceding administration of payments. No amounts may be withdrawn from the Settlement Fund unless expressly authorized by this Agreement or approved by the Court. Responsibility for effectuating payments described in this paragraph shall rest solely with the Settlement Administrator and neither Defendant nor Defendant's agents shall have any responsibility whatsoever with respect to effectuating such payments.

62. **Taxes and Representations.** Taxes and Tax-Related Expenses relating to the Settlement Fund, if any, shall be considered Notice and Administrative Expenses and shall be timely paid by the Settlement Administrator out of the Settlement Fund without prior order of the Court. Further, the Settlement Fund shall indemnify and hold harmless the Parties and their counsel for Taxes and Tax-Related Expenses (including, without limitation, taxes payable by reason of any such indemnification payments). The Parties and their respective counsel have made no representation or warranty, and have no responsibility, with respect to the tax treatment by any Settlement Class Representative or any Settlement Class Member of any payment or transfer made pursuant to this Agreement or derived from or made pursuant to the Settlement Fund. Each Class Representative and Participating Settlement Class Member shall be solely responsible for the federal, state, and local tax consequences to him, her, or it of the receipt of funds from the Settlement Fund pursuant to this Agreement.

IV. **SETTLEMENT BENEFITS AND ADMINISTRATION**

63. The Settlement Administrator will agree to make the following compensation from the Settlement Fund available to Settlement Class Members who submit valid and timely claim forms. Claims will be subject to review for completeness and plausibility by a Settlement Administrator, and Claimants will have the opportunity to seek review by the Parties' counsel, if they dispute the Settlement Administrator's initial determination.

- i. **Credit Monitoring:** All Settlement Class Members are eligible to enroll in three (3) years of Credit Monitoring Services, regardless of whether the Settlement Class Member submits a claim for reimbursement of Unreimbursed Economic Losses or Lost Time. The Settlement Administrator shall send an activation code to each valid Credit Monitoring Services claimant within fourteen (14) days of the Effective Date that can be used to activate Credit Monitoring Services. Such enrollment codes shall be sent via e-mail, unless the claimant did not provide an e-mail address, in which case such codes shall be sent via U.S. mail. Codes will be active for 180 days after the date of mailing, and may be used to activate the full 3-year term if used at any time during that 180 period. The provider shall provide Credit Monitoring Services to all valid claimants who timely activate those services for a period of three (3) years from the date of activation. Credit Monitoring, the administration of which will be overseen by Class Counsel, will be paid for from the Settlement Fund.

- ii. **Compensation for Unreimbursed Economic Losses:** The Settlement Administrator, from the Settlement Fund, will provide compensation, up to a total of \$10,000 per person who is a member of the Settlement Class, upon submission of a claim and supporting documentation, for unreimbursed monetary losses incurred as a result of the Data Security Incident, including, without limitation, unreimbursed losses relating to fraud or identity theft; professional fees including attorneys' fees, accountants' fees, and fees for credit repair services; costs associated with freezing or unfreezing credit with any credit reporting agency; credit monitoring costs that were incurred on or after the Data Security Incident through the date of claim submission; and miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.

Settlement Class Members with Unreimbursed Economic Losses must submit documentation supporting their claims. This can include receipts or other documentation not "self-prepared" by the claimant that document the costs incurred. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation.

- iii. **Compensation for Lost Time:** The Settlement Administrator, from the Settlement Fund, will provide compensation for up to 10 hours of lost time, at \$25.00/hour (\$250 cap), for time spent mitigating the effects of the Data Security Incident. Class Members may submit claims for up to 10 hours of lost time with only an attestation demonstrating that they spent the claimed time responding to issues raised by the Data Security Incident. This attestation may be completed by checking a box next to the sentence: "I swear and affirm that I spent the amount of time noted in response to the LendingTree Data Security Incident." Claims for lost time can be combined with claims for Unreimbursed Economic Loss but are subject to the \$10,000 cap.
- iv. **\$100 Cash Compensation (Alternative Cash Payment):** Settlement Class Members can elect to make a claim for a \$100 Alternative Cash Payment in lieu of the settlement benefits outlined in Paragraph 63(i), (ii) and (iii). To receive this benefit, Settlement Class Members must submit a valid claim form, but no documentation is required to make a claim. The amount of the Alternative Cash Payments will be increased or decreased on a pro rata basis, depending upon the number of valid claims filed and the amount of funds available for these payments.

64. **Assessing Claims for Unreimbursed Economic Losses.** The Settlement Administrator shall verify that each person who submits a Claim Form is a Settlement Class Member. The Settlement Administrator shall have the sole discretion and authority to determine whether and to what extent documentation for Unreimbursed Economic Losses reflect valid Unreimbursed Economic Losses actually incurred that are fairly traceable to the Data Security Incident, but may consult with both Class Counsel and Defendant's Counsel in making individual determinations. The Settlement Administrator is authorized to contact any Settlement Class

Member (by e-mail, telephone, or U.S. mail) to seek clarification regarding a submitted claim prior to making a determination as to its validity.

65. **Assessing Claims for Lost Time.** The Settlement Administrator shall have the sole discretion and authority to determine whether the prerequisites have been met in order to award payments of Lost Time, but may consult with both Class Counsel and Defendant's Counsel in making individual determinations. The Settlement Administrator is authorized to contact any Settlement Class Member (by e-mail, telephone, or U.S. mail) to seek clarification regarding a submitted claim prior to making a determination as to its validity.

66. **Assessing Claims for Alternative Cash Payments.** The Settlement Administrator shall verify that each person who submits a Claim Form is a Settlement Class Member. A Settlement Class Member shall not be required to submit any documentation or additional information in support of their claim for an Alternative Cash Payment. However, the Claim Form must clearly indicate that the Settlement Class Member is electing to claim the Alternative Cash Payment in lieu of any other benefits made available under this Settlement Agreement and, specifically, Paragraph 63(i), (ii) and (iii) above. The Settlement Administrator is authorized to contact any Settlement Class Member (by e-mail, telephone, or U.S. mail) to seek clarification regarding a submitted claim prior to making a determination as to its validity. In the event of any ambiguities in the Claim Form, the Settlement Administrator must contact the Settlement Class Member prior to making a determination as to its validity and, specifically, to determine whether the Settlement Class Member wishes to file a claim for an Alternative Cash Payment or any other benefits made available under this Settlement Agreement.

67. **Order of Distribution of Funds.** The Settlement Administrator must use the funds available in the Net Settlement Fund (after payment of Notice and Administrative Expenses, Taxes and Tax-Related Expenses, and Attorneys' Fees and Service Awards) to make payments for approved claims in this order: Unreimbursed Economic Losses, followed by Lost Time, followed by Credit Monitoring, followed by payments for approved claims for Alternative Cash Payments.

68. **Disputes.** To the extent the Settlement Administrator determines a claim for Unreimbursed Economic Losses or Lost Time is deficient in whole or part, within a reasonable time of making such a determination, the Settlement Administrator shall notify the Settlement Class Member of the deficiencies and give the Settlement Class Member twenty-one (21) days to cure the deficiencies. Such notifications shall be sent via e-mail, unless the claimant did not provide an e-mail address, in which case such notifications shall be sent via U.S. mail. If the Settlement Class Member attempts to cure the deficiencies but, at the sole discretion and authority of the Settlement Administrator, fails to do so, the Settlement Administrator shall notify the Settlement Class Member of that determination within ten (10) days. The Settlement Administrator may consult with Class Counsel and Defendant's Counsel in making such determinations.

69. **Contingencies.** In the event that the aggregate amount of all Settlement Payments exceeds the total amount of the Net Settlement Fund after payment of Court-approved attorneys' fees and Litigation Costs and Expenses, then all valid Credit Monitoring and Unreimbursed Economic Loss Claims shall be paid in full and then each valid Lost Time Claim and Alternative Cash Payment Claim shall be proportionately reduced on a *pro rata* basis. In no event shall the Settlement Fund be increased for any reason. In the event that the aggregate amount of all

Settlement Payments does not exceed the Net Settlement Fund, then each Settlement Class Member who is entitled to receive payment for an Unreimbursed Economic Loss Claim, a Lost Time Claim and/or an Alternative Cash Payment Claim shall receive additional funds increased on a *pro rata* basis (in other words, the same additional amount is added to each claimant's payment) so that the Net Settlement Fund is depleted. In the event that settlement payments are increased on a *pro rata* basis, under no circumstances shall a Settlement Class member receive more than two times the value of their original valid claim.

70. **Unclaimed Property.** No portion of the Settlement Fund shall revert or be repaid to LendingTree after the Effective Date. To the extent any monies remain in the Remainder Fund more than 150 days after the distribution of Settlement payments to the Participating Settlement Class Members, or 30 days after all reissued Settlement Checks are no longer negotiable, whichever occurs later or as otherwise agreed to by the Parties, the Remainder Funds will be sent to Legal Aid of North Carolina as a *cy pres* distribution.

71. **Returned Checks.** For any Settlement Check returned to the Settlement Administrator as undeliverable (including, but not limited to, when the intended recipient is no longer located at the address), the Settlement Administrator shall make reasonable efforts to locate a valid address and resend the Settlement Payment within thirty (30) days after the check is returned to the Settlement Administrator as undeliverable. In attempting to locate a valid address, the Settlement Administrator is authorized to send an e-mail and/or place a telephone call to that Participating Settlement Class Member to obtain updated address information. Any replacement Settlement Checks issued to Participating Settlement Class Members shall remain valid and negotiable for sixty (60) days from the date of their issuance and may thereafter automatically be canceled if not cashed by the Participating Settlement Class Members within that time.

72. **Uncashed Checks.** To the extent that a Settlement Check is not cashed within ninety (90) days after the date of issue, the Settlement Administrator shall undertake the following actions: (1) attempt to contact the Participating Settlement Class Member by e-mail and/or telephone to discuss how to obtain a reissued check; (2) if those efforts are unsuccessful, make reasonable efforts to locate an updated address for the Participating Settlement Class Member using advanced address searches or other reasonable methods; and (3) reissuing a check or mailing the Participating Settlement Class Member a postcard (either to an updated address if located or the original address if not) providing information regarding how to obtain a reissued check. Any reissued Settlement Checks issued to Participating Settlement Class Members shall remain valid and negotiable for sixty (60) days from the date of their issuance and may thereafter automatically be canceled if not cashed by the Participating Settlement Class Members within that time.

73. **Settlement Administration Fees.** The Settlement Fund amount provided by Defendant, or on behalf of Defendant, will pay the entirety of the Administration Expenses, including the cost of notice. The Parties agree to solicit competitive bids for the settlement administration fees, to rely upon postcard reminder notice, and to utilize email notice where practicable in order to minimize the administration costs while still providing effective notice to the Class. Settlement Administration Fees shall be paid through the Settlement Fund and are limited to the common fund amount.

74. Upon the Effective Date, and receipt of payee instructions and a Form W-9 for the payee, Defendant or its insurer shall pay to the Settlement Administrator the Settlement Fund to satisfy the payments in Paragraph 63. Provided that Final Approval of this Settlement Agreement is granted by the Court without material change, material amendment, or material modification, the Settlement Fund will be used to satisfy Approved Claims for Settlement Class Members in exchange for a full, fair, and complete release of all Released Parties from Released Claims, and dismissal of the Litigation with prejudice.

75. The Settlement Fund represents the total extent of Defendant's monetary obligations under the Settlement Agreement. Defendant's contribution to the Settlement Fund shall be fixed under this Section and shall be final. Defendant shall have no obligation to make further payments into the Settlement Fund and shall have no financial responsibility or obligation relating to the Settlement beyond the Settlement Fund, except insofar as such obligations are explicitly provided for in this Settlement Agreement.

76. Once a Settlement Administrator is mutually agreed to by the Parties and after the settlement is preliminarily approved by the Court, the Settlement Administrator will provide notice in a manner mutually agreed upon by the Parties, and which may consist of some hybrid form of email, direct mail, and publication notice.

77. After the Court enters an order approving the final Settlement Agreement, the Settlement Administrator shall provide the requested relief to all Settlement Class Members that made a valid claim, subject to the procedure set forth herein.

78. The Parties, Class Counsel, and Defendant's Counsel shall not have any liability whatsoever with respect to (i) any act, omission or determination of the Settlement Administrator, or any of its respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment or distribution of the Settlement Fund; (iii) the formulation, design or terms of the disbursement of the Settlement Fund; (iv) the determination, administration, calculation or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by or fluctuations in the value of the Settlement Fund; or (vi) the payment or withholding of any Taxes and Tax-Related Expenses.

V. ADDITIONAL SECURITY MEASURES

79. **Additional Security Measures.** LendingTree has confirmed that it has made significant information security improvements and will attest to these changes in a declaration in support of the Settlement. Defendant shall provide Class Counsel with such a declaration in advance of Plaintiffs filing a motion for preliminary approval of the Settlement.

VI. SETTLEMENT CLASS NOTICE, OPT-OUTS, AND OBJECTIONS

80. **Notice.** Within seven (7) days after the date of the Preliminary Approval Order, Defendants shall provide the Settlement Class List to the Settlement Administrator. Within thirty (30) days after the Preliminary Approval Order is entered, the Settlement Administrator shall disseminate Notice to the Settlement Class Members. Notice shall be disseminated via U.S. mail to all Settlement Class Members, to the extent mailing addresses are known. Class Counsel may direct the Settlement Administrator to send reminder notices to Settlement Class Members at any

time prior to the Claims Deadline. The process to issue Notice as described in this Paragraph and the creation and maintenance of the Settlement Website shall constitute the “Notice Plan.”

81. **Final Approval Hearing.** The Notice must set forth the time and place of the Final Approval Hearing (subject to change) and state that any Settlement Class Member who does not file a timely and adequate objection in accordance with this Paragraph waives the right to object or to be heard at the Final Approval Hearing and shall be forever barred from making any objection to the Settlement.

82. **Opt-Outs.** The Notice shall explain the procedure for Settlement Class Members to exclude themselves or “opt-out” of the Settlement by submitting a Request for Exclusion to the Settlement Administrator postmarked no later than the Opt-Out Deadline. The Request for Exclusion must include the name of the proceeding, the individual’s full name, current address, personal signature, and the words “Request for Exclusion,” a comparable statement that the individual does not wish to participate in the Settlement, or some other clear manifestation of the intent to opt-out of the Settlement in the written communication. The Notice must state that any Settlement Class Member who does not file a timely Request for Exclusion in accordance with this Paragraph will lose the opportunity to exclude himself or herself from the Settlement and will be bound by the Settlement.

83. **Objections.** The Notice shall explain the procedure for Settlement Class Members to object to the Settlement or Fee Application by submitting written objections to the Court no later than the Objection Deadline. A written objection must include (i) the name of the proceedings; (ii) the Settlement Class Member’s full name, current mailing address, and telephone number; (iii) a statement of the specific grounds for the objection, as well as any documents supporting the objection and a description of whether the objection applies only to the Settlement Class Member, a subset of the Settlement Class, or the entire Settlement Class; (iv) the identity of any attorneys representing the objector (if any), as well as a description of the attorney’s background and prior experience, the amount of anticipated fees and method of calculation, the attorney’s hourly rate, and the number of hours spent working; (v) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (vi) a description and/or copies of evidence that may be introduced at the fairness hearing; (vii) a list of proceedings in which the Settlement Class Member has submitted an objection during the past five years; and (viii) the signature of the Settlement Class Member or the Settlement Class Member’s attorney.

VII. PRELIMINARY APPROVAL, FINAL APPROVAL, AND JURISDICTION

84. **Certification of the Settlement Class.** For purposes of this Settlement only, the Parties stipulate to the certification of the Settlement Class, which is contingent upon both the Court entering the Final Approval Order of this Settlement and the occurrence of the Effective Date.

85. **Preliminary Approval.** Following execution of this Agreement, Class Counsel shall file a motion for preliminary approval of the Settlement, in a form agreeable to the Parties, within thirty (30) days thereof or a date thereafter that is agreeable to the Parties and the Court.

86. **Final Approval.** Class Counsel shall move the Court for a Final Approval Order of this Settlement, to be issued following the Final Approval Hearing; within a reasonable time after the Notice Deadline, Objection Deadline, and Opt-Out Deadline; and at least 90 days after the Settlement Administrator notifies the appropriate government officials of this Settlement Agreement pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

87. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall retain jurisdiction with respect to the administration, consummation and enforcement of the Agreement and shall retain jurisdiction for the purpose of enforcing all terms of the Agreement. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Plan and the Settlement Administrator. As part of its agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose.

VIII. MODIFICATION AND TERMINATION

88. **Modification.** The terms and provisions of this Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that, after entry of the Preliminary Approval Order, the Parties may, by written agreement, effect such amendments, modifications, or expansions of this Agreement and its implementing documents (including all exhibits hereto) without further notice to the Settlement Class or approval by the Court if such changes are consistent with the Court's Preliminary Approval Order and do not materially alter, reduce, or limit the rights of Settlement Class Members under this Agreement.

89. **Settlement Not Approved.** If: (1) the Court does not issue the Preliminary Approval Order or Final Approval Order; (2) the Effective Date does not occur; or (3) the Final Approval Order is modified or reversed in any material respect by any appellate or other court, the Parties shall have 60 days from the date of such non-occurrence during which the Parties shall work together in good faith in considering, drafting, and submitting reasonable modifications to this Agreement to address any issues identified by the Court or that otherwise caused the Preliminary Approval Order or Final Approval Order not to issue or the Effective Date not to occur. If such efforts are unsuccessful, either Party may at their sole discretion terminate this Agreement on seven days written notice to the other Party. For avoidance of any doubt, neither Party may terminate the Agreement while an appeal from an order granting approval of the Settlement is pending.

90. **Termination.** Defendant may also unilaterally terminate this Agreement on seven (7) days written notice to Class Counsel if more than the agreed-upon number of individuals (more than 69,142 Class Members) submit valid Requests for Exclusion, as agreed to by the Parties and as communicated to the Court *in camera*.

91. **Effect of Termination.** In the event of a termination as provided in Paragraphs 90 or 91, this Agreement and the Settlement shall be considered null and void; all of the Parties'

obligations under the Agreement shall cease to be of any force and effect and the Parties shall return to the status quo ante in the Action as if the Parties had not entered into this Agreement or the Settlement. Further, in the event of such a termination, the certification of the Settlement Class shall be void. Defendant reserves the right to contest class certification for all purposes other than this Settlement. Any orders preliminarily or finally approving the certification of any class contemplated by the Settlement shall be null, void, and vacated, and shall not be used or cited thereafter by any person or entity in support of claims or defenses or in support or in opposition to a class certification motion. In addition: (a) the fact that Defendant did not oppose certification of a class under the Settlement shall not be used or cited thereafter by any person or entity, including in a contested proceeding relating to class certification and (b) in the event of such a termination, all of the Parties' respective pre-Settlement claims and defenses will be preserved.

IX. RELEASES

92. Upon Final Approval of this Settlement Agreement, Settlement Class members release, acquit, and forever discharge Defendant and each of its present and former parents, subsidiaries, divisions, affiliates, predecessors, successors, and assigns, Board of Trustees, and the present and former directors, officers, employees, agents, insurers, shareholders, attorneys, advisors, consultants, representatives, partners, joint venturers, independent contractors, wholesalers, resellers, distributors, retailers, and the predecessors, successors, and assigns of each of them as well as covered entities associated with the Data Security Incident (“Released Parties”) from all liabilities, rights, claims, actions, causes of action, demands, damages, penalties, costs, attorneys’ fees, losses, and remedies, whether known or unknown, existing or potential, suspected or unsuspected, liquidated or unliquidated, legal, statutory, or equitable, that result from, arise out of, are based upon, or relate to any release of Private Information from the Data Security Incident, and conduct that was alleged or could have been alleged in the Litigation, including, without limitation, any claims, actions, causes of action, demands, damages, penalties, losses, or remedies relating to, based upon, resulting from, or arising out of the disclosure of Private Information from the Data Security Incident (the “Released Claims”), provided that nothing in this Release is intended to, does or shall be deemed to release any claims not arising out of, based upon, resulting from, or related to the Data Security Incident.

93. Each Releasor waives any and all defenses, rights, and benefits that may be derived from the provisions of applicable law in any jurisdiction that, absent such waiver, may limit the extent or effect of the release contained in this Settlement Agreement.

94. **Mutual Understanding.** The Parties understand that if the facts upon which this Agreement is based are found hereafter to be different from the facts now believed to be true, each Party expressly assumes the risk of such possible difference in facts, and agrees that this Agreement, including the releases contained herein, shall remain effective notwithstanding such difference in facts. The Parties agree that in entering this Agreement, it is understood and agreed that each Party relies wholly upon its own judgment, belief, and knowledge and that each Party does not rely on inducements, promises, or representations made by anyone other than those embodied herein.

95. **Release of Class Representatives and Class Counsel.** Upon the Effective Date, Defendant and its representatives, officers, agents, directors, principals, affiliates, employees,

insurers, and attorneys shall be deemed to have released, acquitted, and forever discharged the Settlement Class Representatives and Class Counsel from any and all claims or causes of action of every kind and description, including any causes of action in law, claims in equity, complaints, suits or petitions, and any allegations of wrongdoing, demands for legal, equitable or administrative relief (including, but not limited to, any claims for injunction, rescission, reformation, restitution, disgorgement, constructive trust, declaratory relief, compensatory damages, consequential damages, penalties, exemplary damages, punitive damages, attorneys' fees, costs, interest or expenses), whether known or unknown, that arise out of, are based upon, or relate to prosecution of the Action, the Settlement Agreement, or the Settlement claims process (provided, however, that this release and discharge shall not include claims relating to the enforcement of the terms of the Settlement or this Agreement).

96. **Bar to Future Suits.** Upon entry of the Final Approval Order, the Settlement Class Representatives and other Settlement Class Members shall be enjoined from prosecuting any claim they have released in the preceding paragraphs in any proceeding against Defendant or based on any actions taken by any of the Released Parties that are authorized or required by this Agreement or by the Final Approval Order. Likewise, Defendant and its representatives, officers, agents, directors, principals, affiliates, employees, insurers, and attorneys shall be enjoined from prosecuting any claim they have released in the preceding paragraphs in any proceeding against Settlement Class Representatives and Class Counsel or based on any actions taken by Settlement Class Representatives and Class Counsel that are authorized or required by this Agreement or by the Final Approval Order. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this Section.

X. SERVICE AWARD PAYMENTS

97. **Service Award Payments.** At least fourteen (14) days before the Opt-Out and Objection Deadlines, Class Counsel will file a Fee Application that will include a request for Service Award payments for the Settlement Class Representatives in recognition for their contributions to this Action not to exceed \$3,000.00 per representative. The Settlement Administrator shall make the Service Award payments to the Settlement Class Representatives from the Settlement Fund. Such Service Award payments shall be paid by the Settlement Administrator, in the amount approved by the Court, no later than ten (10) days after the Effective Date.

98. **No Effect on Agreement.** In the event the Court declines to approve, in whole or in part, the payment of Service Awards in the amount requested, the remaining provisions of this Agreement shall remain in full force and effect. No decision by the Court, or modification or reversal or appeal of any decision by the Court, concerning the amount of the Service Awards shall constitute grounds for termination of this Agreement.

XI. ATTORNEYS' FEES, COSTS, EXPENSES

99. **Attorneys' Fees and Costs and Expenses.** Within forty-five (45) after the Notice Date, Class Counsel will file a Fee Application for an award of attorneys' fees to be paid from the Settlement Fund not to exceed 33.33% of the value of the Settlement, or \$291,666.67, and litigation expenses. Prior to the disbursement or payment of the Fee Award and Costs under this Agreement

to the IOLTA trust account of Turke & Strauss LLP. Turke & Strauss LLP shall provide to the Settlement Administrator a properly completed and duly executed IRS Form W-9. Fee Award and Costs (plus any interest accrued thereon) shall be paid by the Settlement Administrator, in the amount approved by the Court, no later than seven (7) days after the Effective Date.

XII. NO ADMISSION OF LIABILITY

100. **No Admission of Liability.** The Parties understand and acknowledge that this Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties either previously or in connection with the negotiations or proceedings connected with this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

101. **No Use of Agreement.** Neither the Settlement Agreement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (i) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by Plaintiffs; or (ii) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission by Defendant in the Action or in any proceeding in any court, administrative agency or other tribunal.

XIII. MISCELLANEOUS

102. **Publicity.** The Parties agree that they shall not publicize this settlement, Settlement Fund or Settlement Payment, the amount or sum of individual Settlement Class Representatives' or Settlement Class Members' shares or the events and negotiations surrounding this Agreement in any way except by joint pleadings or unopposed motions filed with the Court, if required. Subject to prior approval by Defendant's Releasees, which shall not be unreasonably withheld, Class Counsel may post information on their law firm websites about the Settlement that is consistent with the notice program. If any Party believes a statement is made in violation of this provision, the Parties shall meet-and-confer informally in an effort to resolve the dispute. If the dispute cannot be resolved informally, it shall be submitted to the Court for resolution.

103. **Integration of Exhibits.** The exhibits to this Agreement and any exhibits thereto are a material part of the Settlement and are incorporated and made a part of the Agreement.

104. **Entire Agreement.** This Agreement, including all exhibits hereto, shall constitute the entire Agreement among the Parties with regard to the subject matter hereof and shall supersede any previous agreements, representations, communications and understandings among the Parties. This Agreement may not be changed, modified, or amended except in writing signed by all Parties, subject to Court approval. The Parties contemplate that, subject to Court approval or without such approval where legally permissible and where such changes are non-material, the exhibits to this Agreement may be modified by subsequent agreement of counsel for the Parties prior to dissemination of the Settlement Class Notice to the Settlement Class.

105. **Deadlines.** If any of the dates or deadlines specified herein falls on a weekend or legal holiday, the applicable date or deadline shall fall on the next business day. All reference to "days" in this agreement shall refer to calendar days unless otherwise specified.

106. **Construction.** For the purpose of construing or interpreting this Agreement, the Parties agree that this Agreement is to be deemed to have been drafted equally by all Parties hereto and shall not be construed strictly for or against any Party.

107. **Cooperation of Parties.** The Parties to this Agreement agree to cooperate in good faith to prepare and execute all documents, to seek Court approval, defend Court approval, and to do all things reasonably necessary to complete and effectuate the Settlement described in this Agreement.

108. **Obligation to Meet and Confer.** Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other in good faith prior to seeking Court intervention.

109. **Governing Law.** The Agreement shall be construed in accordance with, and be governed by, the laws of the State of North Carolina, without regard to the principles thereof regarding choice of law.

110. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all signatories do not sign the same counterparts. Original signatures are not required. Any signature submitted electronically through e-mail of an Adobe PDF shall be deemed an original.

BASIC INFORMATION

1. Why is this Notice being provided?

The Court directed that this Notice be provided because you have a right to know about a proposed settlement that has been reached in this class action lawsuit and about all of your options before the Court decides whether to grant final approval to the Settlement. If the Court approves the Settlement, and after objections or appeals, if any, are resolved, the Settlement Administrator appointed by the Court will distribute the benefits that the Settlement allows. This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of this case is the United States District Court for the Western District of North Carolina. The case is known as *Lamie, et al. v. LendingTree, LLC*, No. 3:22-cv-00307 (W.D. N.C.) (the “Action”). The people who filed the lawsuit are called Plaintiffs and the company they sued, LendingTree, LLC, is called the Defendant.

2. What is this lawsuit about?

Plaintiffs claim that, due to a code vulnerability, LendingTree disclosed personal information, including unencrypted and unredacted full names, Social Security numbers, dates of birth, and addresses (“Private Information”) of consumers, to an unauthorized third party in February 2022.

LendingTree has denied and continues to deny all of the claims made in the Action, as well as all charges of wrongdoing or liability against them.

3. What is a class action?

In a class action, one or more people called Class Representatives (in this case, Christopher Lamie and Amabel Lin) sue on behalf of people who have similar claims. Together, all these people are called a Class or Class Members. One Court resolves the issues for all Class Members, except for those who exclude themselves from the Settlement Class.

4. Why is there a settlement?

The Court did not decide in favor of the Plaintiffs or the Defendant. Instead, the Plaintiffs negotiated a settlement with the Defendant that allows them to avoid the risks and costs of lengthy and uncertain litigation and the uncertainty of a trial and appeals. It also allows Settlement Class Members to be compensated without further delay. The Class Representatives and their attorneys think the Settlement is best for all Settlement Class Members.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am part of the Settlement?

You are part of this Settlement as a Settlement Class Member if your Private Information was compromised or potentially compromised in the Data Security Incident.

6. Are there exceptions to being included in the Settlement?

Yes. Excluded from the Settlement are: (1) the judge presiding over this Action, and members of their direct families; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid Request for Exclusion prior to the Opt-Out Deadline.

7. I am still not sure if I am included.

If you are still not sure whether you are included, you can call 1- - - or visit [www.\[website\].com](http://www.[website].com) for more information.

THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

8. What does the Settlement provide?

The Settlement provides Settlement Class Members with their choice of (1) three years of credit monitoring services, compensation for unreimbursed economic losses, and compensation for lost time, **or** (2) a cash payment.

LendingTree has agreed to pay a total of \$875,000 into a Settlement Fund. After deducting the costs of notice and settlement administration, Court-approved attorneys' fees, costs and expenses, and Class Representative service awards, the net Settlement Fund will be used to pay Settlement Class Members who submit a valid Claim Form.

9. Tell me about the Credit Monitoring Services and Compensation.

Each Settlement Class Member who submits a valid Claim Form and opts to receive credit monitoring services will receive a three-year subscription to [insert service] provided by [insert provider] ("Credit Monitoring Services"). The [insert service] subscription will include (1) daily one-bureau credit monitoring, (2) identity restoration services, and (3) \$1,000,000 in identity theft insurance.

In addition to Credit Monitoring Services, Settlement Class Members are eligible to receive compensation for unreimbursed economic losses and for lost time.

- Unreimbursed Economic Losses are out-of-pocket costs related to fraud and identity theft, the purchase of identity protection services, credit monitoring services, or ID theft insurance that are fairly traceable to the Data Breach and have not already been reimbursed by a third party. Settlement Class Members who submit a valid Claim Form with documentation, such as receipts, showing unreimbursed economic losses may receive up to \$10,000.
- Lost Time is time spent remedying issues related to the Data Security Incident. Settlement Class Members who submit a valid Claim Form are eligible to receive up to 10 hours of lost time, at \$25.00/hour (up to \$250).

10. Tell me about the cash option.

Each Settlement Class Member who submits a valid Claim Form and selects the cash option will receive an *estimated* \$100 payment from the Settlement Fund. This cash option, also called an "Alternative Cash Payment," may be selected instead of the credit monitoring and compensation described above. The amount of the Alternative Cash Payments will be increased or decreased on a pro rata basis depending upon the number of valid claims filed and the amount of funds available for these payments. This means that Settlement Class Members who select this option may receive more or less than the estimated \$100.

HOW TO GET BENEFITS—SUBMITTING A CLAIM FORM

11. How do I get a settlement benefit?

To qualify for a settlement benefit, you must complete and submit a Claim Form by **Month**, 2023. Claim Forms are available and may be filed online at [www.\[website\].com](http://www.[website].com). Claim Forms are also available by calling 1- - - or by writing to: *Lamie et al. v. LendingTree, LLC* Settlement Administrator, P.O. Box , City, ST - .

12. When will I get my Settlement benefit?

The Court will hold a Final Fairness Hearing at : 0 .m. on **Month**, 2023, to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals. It is always uncertain whether any appeals can be resolved favorably, and resolving them can take time, perhaps more than a year.

13. What am I giving up to get a settlement benefit or stay in the Settlement?

Unless you exclude yourself from the Settlement, you will release certain legal claims as they relate to the Settlement. This means that you will no longer be able to sue, continue to sue, or be part of any other lawsuit against LendingTree and the Released Parties about the claims made in this Action and released by the Settlement Agreement. You will be legally bound by all of the Court's orders, as well as the "Released Claims," below.

14. What are the Released Claims?

"Released Claims" mean any and all claims that either have been asserted or could have been asserted by any Settlement Class Member against any of the Released Parties (LendingTree and each of its present and former parents, subsidiaries, divisions, affiliates, predecessors, successors, and assigns, Board of Trustees, and the present and former directors, officers, employees, agents, insurers, shareholders, attorneys, advisors, consultants, representatives, partners, joint

venturers, independent contractors, wholesalers, resellers, distributors, retailers, and the predecessors, successors, and assigns of each of them as well as covered entities associated with the alleged data breach) from all liabilities, rights, claims, actions, causes of action, demands, damages, penalties, costs, attorneys' fees, losses, and remedies, whether known or unknown, existing or potential, suspected or unsuspected, liquidated or unliquidated, legal, statutory, or equitable, that result from, arise out of, are based upon, or relate to any release of Private Information from the Data Security Incident, and conduct that was alleged or could have been alleged in the Litigation, including, without limitation, any claims, actions, causes of action, demands, damages, penalties, losses, or remedies relating to, based upon, resulting from, or arising out of the potential unauthorized disclosure of Private Information from the Data Incident.

EXCLUDING YOURSELF FROM THE SETTLEMENT

15. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must send a letter by mail stating that you want to be excluded from the Settlement in *Lamie et al. v. LendingTree, LLC*, No. 3:22-cv-00307 (W.D.N.C.). Your letter must also include your full name, current address, signature, and a statement such as "Request for Exclusion" indicating you do not wish to participate in the Settlement or you want to opt-out of the Settlement. You must mail your exclusion request, postmarked no later than **Month**, 2023, to:

Lamie et al. v. LendingTree, LLC Settlement Administrator
P.O. Box [REDACTED]
City, ST [REDACTED] - [REDACTED]

16. If I exclude myself, can I still get a benefit from the Settlement?

No. If you exclude yourself from the Settlement, do not send in a Claim Form to ask for a settlement benefit because you will no longer be eligible for one.

17. If I do not exclude myself, can I sue the Defendant for the same thing later?

No. If you stay in the Settlement (*i.e.*, do nothing or do not exclude yourself from the Settlement), you give up any right to separately sue the Defendant for the claims released by the Settlement Agreement.

THE LAWYERS REPRESENTING YOU

18. Do I have a lawyer in this case?

Yes. The Court appointed Raina Borrelli of Turke & Strauss LLP and David Lietz of Milberg Coleman Bryson Phillips Grossman, PLLC to represent you and other Settlement Class Members. These lawyers are called Class Counsel. These lawyers and their firms are experienced in handling similar cases. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

19. How will Class Counsel be paid?

If the Settlement is approved and becomes final, Class Counsel will ask the Court to award attorneys' fees in the amount of \$291,666.67 plus litigation expenses, as well as \$3,000 Service Awards to each of the Class Representatives. If approved, these amounts, as well as the costs of notice and settlement administration, will be deducted from the Settlement Fund before making payments to Settlement Class Members who submit a valid Claim Form.

OBJECTING TO THE SETTLEMENT

20. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement if you do not like it or a portion of it. You can give reasons why you think the Court should not approve the Settlement. The Court will consider your views before making a decision. To object, you must file a written objection with the Court by **Month**, 2023.

Your objection must include:

- 1) the name of the case (*Lamie et al. v. LendingTree, LLC*, No. 3:22-cv-00307 (W.D. N.C.));
- 2) your full name, current address, and telephone number;

- 3) the reasons why you object to the Settlement, including any documents supporting your objection and a description of whether the objection applies only to yourself, a subset of the Settlement Class, or the entire Settlement Class;
- 4) the name and address of your attorney if you have retained one as well as a description of the attorney's background and prior experience, the amount of anticipated fees and method of calculation, the attorney's hourly rate, and the number of hours spent working;
- 5) a statement indicating whether you or your attorney intend to appear at the Final Fairness Hearing;
- 6) a description and/or copies of evidence that may be introduced at fairness hearing;
- 7) a list of proceedings in which the Settlement Class Member has submitted an objection during the past five years; and
- 8) your signature or the signature of your attorney.

Your objection must be mailed to the Clerk of the United States District Court for the Western District of North Carolina, United States Courthouse, Charles R. Jonas Federal Building, 401 West Trade Street, Room 1200, Charlotte, North Carolina 28202 by **Month**, 2023.

21. What is the difference between objecting to and excluding myself from the Settlement?

Objecting is telling the Court that you do not like something about the Settlement. Excluding yourself is telling the Court that you do not want to be part of the Class in this Settlement. If you exclude yourself from the Settlement, you have no basis to object or file a claim because the Settlement no longer applies to you.

THE COURT'S FINAL FAIRNESS HEARING

22. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing at **: 0**.m. on **Month**, 2023, at the United States Courthouse, Charles R. Jonas Federal Building, 401 West Trade Street, Charlotte, North Carolina 28202. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will take into consideration any properly-filed written objections and may also listen to people who have asked to speak at the hearing (*see* Question 20). The Court will also decide whether to approve payments of fees, expenses, and service awards.

23. Do I have to come to the Final Fairness Hearing?

No. Class Counsel will answer any questions the Court may have. But, you are welcome to come at your own expense. If you file an objection, you do not have to come to Court to talk about it. You may also hire your own lawyer to attend, at your own expense, but you are not required to do so.

24. May I speak at the Final Fairness Hearing?

Yes, you may ask the Court for permission to speak at the Final Fairness Hearing. To do so, you must follow the instructions provided in Question 20 above. You cannot speak at the hearing if you exclude yourself from the Settlement.

IF YOU DO NOTHING

25. What happens if I do nothing?

If you do nothing, you will not receive any benefits from this Settlement. If the Court approves the Settlement, you will be bound by the Settlement Agreement and Release. This means you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendant or the Released Parties about the issues resolved by this Settlement and released by the Settlement Agreement.

**UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF NORTH CAROLINA
CHARLOTTE DIVISION**

CHRISTOPHER LAMIE and AMABEL
LIN, on behalf of themselves and all others
similarly situated,

Plaintiffs,

v.

LENDINGTREE, LLC,

Defendant.

Case No. 3:22-cv-00307

[PROPOSED] PRELIMINARY APPROVAL ORDER

Before the Court is Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement (**Doc. No. __**) (the “Motion”), the terms of which are set forth in a Settlement Agreement between Plaintiffs and Defendant LendingTree, LLC (“LendingTree” or “Defendant”) (together with Plaintiffs, the “Parties”), with accompanying exhibits attached as **Exhibit 1** to Plaintiffs’ Memorandum of Law in Support of their Motion (the “Settlement Agreement”).¹

Having fully considered the issue, the Court hereby **GRANTS** the Motion and **ORDERS** as follows:

1. **Class Certification for Settlement Purposes Only**. The Settlement Agreement provides for a Settlement Class defined as follows:

All individuals whose Private Information was compromised or potentially compromised in the Data Security Incident.

¹ All defined terms in this Order Granting Preliminary Approval of Class Action Settlement (“Preliminary Approval Order”) have the same meaning as set forth in the Settlement Agreement, unless otherwise indicated.

Specifically excluded from the Settlement Class are:

(1) the judge presiding over this Action, and members of their direct families; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid Request for Exclusion prior to the Opt-Out Deadline.

Pursuant to Federal Rules of Civil Procedure 23(e)(1), the Court finds that giving notice is justified. The Court finds that it will likely be able to approve the proposed Settlement as fair, reasonable, and adequate. The Court also finds that it will likely be able to certify the Settlement Class for purposes of judgment on the Settlement because it meets all of the requirements of Rule 23(a) and the requirements of Rule 23(b)(3). Specifically, the Court finds for settlement purposes that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members would be impracticable; (b) there are issues of law and fact that are common to the Settlement Class; (c) the claims of the Class Representative are typical of and arise from the same operative facts and the Class Representatives seek similar relief as the claims of the Settlement Class Members; (d) the Class Representatives will fairly and adequately protect the interests of the Settlement Class as the Class Representatives have no interests antagonistic to or in conflict with the Settlement Class and have retained experienced and competent counsel to prosecute this Litigation on behalf of the Settlement Class; (e) questions of law or fact common to Settlement Class Members predominate over any questions affecting only individual members; and (f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this Litigation.

2. **Settlement Class Representatives and Settlement Class Counsel**. The Court finds that Plaintiffs will likely satisfy the requirements of Rule 23(e)(2)(A) and should be appointed as the Class Representatives. Additionally, the Court finds that David Lietz of Milberg Coleman Bryson Phillips Grossman and Raina Borrelli of Turke & Strauss LLP will likely satisfy

the requirements of Rule 23(e)(2)(A) and should be appointed as Class Counsel pursuant to Rule 23(g)(1).

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court finds the Settlement is fair, reasonable, and adequate to warrant providing notice of the Settlement to the Settlement Class and accordingly is preliminarily approved. In making this determination, the Court has considered the monetary and non-monetary benefits provided to the Settlement Class through the Settlement, the specific risks faced by the Settlement Class in prevailing on their claims, the good faith, arms' length negotiations between the Parties and absence of any collusion in the Settlement, the effectiveness of the proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, the Settlement treats the Settlement Class Members equitably, and all of the other factors required by Rule 23 and relevant case law.

4. **Jurisdiction.** The Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1332(d)(2) and personal jurisdiction over the parties before it. Additionally, venue is proper in this District pursuant to 28 U.S.C. § 1391(b).

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on _____, 202____, at [ADDRESS], where the Court will determine, among other things, whether: (a) this Litigation should be finally certified as a class action for settlement purposes pursuant to Fed. R. Civ. P. 23(a) and (b)(3); (b) the Settlement should be approved as fair, reasonable, and adequate, and finally approved pursuant to Fed. R. Civ. P. 23(e); (c) this Litigation should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (d) Settlement Class Members (who have not timely and validly excluded themselves from the Settlement) should be bound by the releases set forth in the Settlement Agreement; (e) the

application of Class Counsel for an award of Attorneys' Fees, Costs, and Expenses should be approved pursuant to Fed. R. Civ. P. 23(h); and (f) the application of the Class Representatives for a Service Award should be approved.

6. **Claims Administrator.** The Court appoints KCC LLC as the Claims Administrator, with responsibility for class notice and settlement administration. The Claims Administrator is directed to perform all tasks the Settlement Agreement requires. The Claims Administrator's fees will be paid pursuant to the terms of the Settlement Agreement.

7. **Notice.** The proposed notice program set forth in the Settlement Agreement and the Notices and Claim Form attached to the Settlement Agreement as **Exhibits A, B, and C** are hereby approved. Non-material modifications to these Exhibits may be made by the Claims Administrator in consultation and agreement with the Parties, but without further order of the Court.

8. **Findings Concerning Notice.** The Court finds that the proposed form, content, and method of giving Notice to the Settlement Class as described in the Notice program and the Settlement Agreement and its exhibits: (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Litigation, the terms of the proposed Settlement, and their rights under the proposed Settlement, including, but not limited to, their rights to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members and other persons entitled to receive notice; (d) meet all applicable requirements of law, including Federal Rule of Civil Procedure 23(c); and (e) and meet the requirements of the Due Process Clause(s) of the United States and North Carolina Constitutions. The Court further finds that the Notice provided for in the Settlement Agreement is written in plain

language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

The Claims Administrator is directed to carry out the Notice program in conformance with the Settlement Agreement.

9. **Class Action Fairness Act Notice**. Within ten (10) days after the filing of this Settlement Agreement with the Court, the Claims Administrator acting on behalf of Defendant shall have served or caused to be served a notice of the proposed Settlement on appropriate officials in accordance with the requirements under the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715(b).

10. **Exclusion from Class**. Any Settlement Class Member who wishes to be excluded from the Settlement Class must individually sign and timely submit written notice of such intent to the designated Post Office box established by the Claims Administrator in the manner provided in the Notice. The written notice must clearly manifest a Person’s intent to be excluded from the Settlement Class. To be effective, such requests for exclusion must be postmarked no later than the Opt-Out Date, which is no later than sixty (60) days from the date on which the notice program commences, and as stated in the Notice.

If Defendant voids the Settlement Agreement according to its terms, Defendant will be obligated to pay all settlement expenses already incurred, excluding any attorneys’ fees, costs, and expenses of Class Counsel and the Service Award to the Class Representative and shall not, at any time, seek recovery of same from any other party to the Litigation or from counsel to any other party to the Litigation.

The Claims Administrator shall promptly furnish to Class Counsel and to Defendant’s counsel a complete list of all timely and valid requests for exclusion (the “Opt-Out List”).

If a Final Order and Judgment is entered, all Persons falling within the definition of the Settlement Class who do not request to be excluded from the Settlement Class shall be bound by the terms of this Settlement Agreement and the Final Order and Judgment. All Persons who submit valid and timely notices of their intent to be excluded from the Settlement Class shall not receive any cash benefits of and/or be bound by the terms of the Settlement Agreement.

11. **Objections and Appearances.** A Settlement Class Member (who does not submit a timely written request for exclusion) desiring to object to the Settlement Agreement may submit a timely written notice of his or her objection by the Objection Date and as stated in the Notice. The Long Notice shall instruct Settlement Class Members who wish to object to the Settlement Agreement to file their objections with the Court and to e-mail copies to Class Counsel and Defendant's counsel. The Notice shall advise Settlement Class Members of the deadline for submission of any objections—the "Objection Date." Any such notices of an intent to object to the Settlement Agreement must be written and must include all of the following: (i) the name of the proceedings; (ii) the Settlement Class Member's full name, current mailing address, and telephone number; (iii) a statement of the specific grounds for the objection, as well as any documents supporting the objection and a description of whether the objection applies only to the Settlement Class Member, a subset of the Settlement Class, or the entire Settlement Class; (iv) the identity of any attorneys representing the objector (if any), as well as a description of the attorney's background and prior experience, the amount of anticipated fees and method of calculation, the attorney's hourly rate, and the number of hours spent working; (v) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (vi) a description and/or copies of evidence that may be introduced at fairness hearing; (vii) a list of proceedings in which the Settlement Class Member has submitted an objection during the past

five years; and (viii) the signature of the Settlement Class Member or the Settlement Class Member's attorney.

Any Settlement Class Member who fails to comply with the requirements for objecting shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments in the Litigation. The provisions stated in Paragraph 83 of the Settlement Agreement are the exclusive means for any challenge to the Settlement Agreement. Any challenge to the Settlement Agreement, the final order approving this Settlement Agreement, or the Final Order and Judgment to be entered upon final approval shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through a collateral attack.

12. **Claims Process.** Settlement Class Counsel and Defendant have created a process for Settlement Class Members to claim benefits under the Settlement. The Court preliminarily approves this process and directs the Claims Administrator to make the Claim Form or its substantial equivalent available to Settlement Class Members in the manner specified in the Notice.

The Claims Administrator will be responsible for effectuating the claims process. Settlement Class Members who qualify for and wish to submit a Claim Form shall do so in accordance with the requirement and procedures specified in the Notice and the Claim Form. If the Final Order and Judgment is entered, all Settlement Class Members who qualify for any benefit under the Settlement but fail to submit a claim in accordance with the requirements and procedures specified in the Notice and the Claim Form shall be forever barred from receiving any such benefit, but will in all other respects be subject to and bound by the provisions in the Final Order and Judgment, including the releases contained therein.

13. **Termination of Settlement.** This Preliminary Approval Order shall become null and void and shall be without prejudice to the rights of the Parties, all of whom shall be restored to their respective positions existing before the Court entered this Preliminary Approval Order and before they entered the Settlement Agreement, if: (a) the Court does not enter this Preliminary Approval Order; (b) Settlement is not finally approved by the Court or is terminated in accordance with the Settlement Agreement; (c) there is no Effective Date; or (d) otherwise consistent with the terms of the Settlement Agreement. In such event, (i) the Parties shall be restored to their respective positions in the Litigation and shall jointly request that all scheduled Litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Party or Party's counsel; (ii) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and (iii) any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*.

14. **Use of Order.** This Preliminary Approval Order shall be of no force or effect if the Final Order and Judgment is not entered or there is no Effective Date and shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, or liability. Nor shall this Preliminary Approval Order be construed or used as an admission, concession, or declaration by or against the Class Representatives or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claims they may have in this Litigation or in any other lawsuit.

15. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Final Fairness Hearing and related deadlines without further written notice to the Settlement Class.

If the Court alters any of those dates or times, the revised dates and times shall be posted on the Settlement Website maintained by the Claims Administrator. The Court may approve the Settlement, with such modifications as may be agreed upon by the Parties, if appropriate, without further notice to the Settlement Class.

16. **Stay of Litigation.** All proceedings in the Litigation, other than those related to approval of the Settlement Agreement, are hereby stayed. Further, any actions brought by Settlement Class Members concerning the Released Claims are hereby enjoined and stayed pending Final Approval of the Settlement Agreement.

17. **Schedule and Deadlines.** The Court orders the following schedule of dates for the specified actions/further proceedings:

LIN, on behalf of themselves and all others

Plaintiffs,

v.

LENDINGTREE, LLC;

Defendant.

Case No. 3:22-cv-00307

[PROPOSED] FINAL APPROVAL ORDER

Before the Court is Plaintiffs' Unopposed Motion for Final Approval of Class Action Settlement ("Motion for Final Approval"). The Motion seeks approval of the Settlement as fair, reasonable, and adequate. Also before the Court is Plaintiffs' Motion for Attorneys' Fees, Costs, and Expenses to Class Counsel, and Service Award to Plaintiffs ("Motion for Attorneys' Fees").

Having reviewed and considered the Settlement Agreement, Motion for Final Approval, and Motion for Attorneys' Fees, and having conducted a Final Fairness Hearing, the Court makes the findings and grants the relief set forth below approving the Settlement upon the terms and conditions set forth in this Order.

WHEREAS, on _____ [DATE], the Court entered an Order Granting Preliminary Approval of Class Action Settlement ("Preliminary Approval Order") (**Doc. No. __**) which, among other things: (a) conditionally certified this matter as a class action, including defining the class and class claims, (b) appointed Plaintiffs as the Class Representatives and appointed David Lietz of Milberg Coleman Bryson Phillips Grossman and Raina Borrelli of Turke

& Strauss LLP as Class Counsel; (c) preliminarily approved the Settlement Agreement; (d) approved the form and manner of Notice to the Settlement Class; (d) set deadlines for opt-outs and objections; (e) approved and appointed the Claims Administrator; and (f) set the date for the Final Fairness Hearing;

WHEREAS, on _____[DATE], pursuant to the Notice requirements set forth in the Settlement Agreement and in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement Agreement, of the right of Settlement Class Members to opt-out, and the right of Settlement Class Members to object to the Settlement Agreement and to be heard at a Final Fairness Hearing;

WHEREAS, on _____[DATE], the Court held a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate for the release of the claims contemplated by the Settlement Agreement; and (2) whether judgment should be entered dismissing this action with prejudice. Prior to the Final Fairness Hearing, a declaration of compliance with the provisions of the Settlement Agreement and Preliminary Approval Order relating to notice was filed with the Court as required by the Preliminary Approval Order. Therefore, the Court is satisfied that Settlement Class Members were properly notified of their right to appear at the Final Fairness Hearing in support of or in opposition to the proposed Settlement Agreement, the award of attorneys' fees, costs, and expenses to Class Counsel, and the payment of a Service Award to the Class Representative;

WHEREAS, the Court not being required to conduct a trial on the merits of the case or determine with certainty the factual and legal issues in dispute when determining whether to approve a proposed class action settlement; and

WHEREAS, the Court being required under Federal Rule of Civil Procedure 23(e) to make the findings and conclusions hereinafter set forth for the limited purpose of determining whether the settlement should be approved as being fair, reasonable, adequate and in the best interests of the Settlement Class;

Having given an opportunity to be heard to all requesting persons in accordance with the Preliminary Approval Order, having heard the presentation of Class Counsel and counsel for Defendant, having reviewed all of the submissions presented with respect to the proposed Settlement Agreement, having determined that the Settlement Agreement is fair, adequate, and reasonable, having considered the application made by Settlement Class Counsel for attorneys' fees, costs, and expenses, and the application for a Service Award to the Representative Plaintiff, and having reviewed the materials in support thereof, and good cause appearing:

IT IS ORDERED that:

1. The Court has jurisdiction over the subject matter of this action and over all claims raised therein and all Parties thereto, including the Settlement Class.
2. The Settlement involves allegations in Plaintiffs' Class Action Complaints against Defendant for failure to implement or maintain adequate data security measures and safeguards to protect Private Information, which Plaintiffs allege directly and proximately caused injuries to Plaintiffs and Settlement Class Members.
3. The Settlement does not constitute an admission of liability by Defendant, and the Court expressly does not make any finding of liability or wrongdoing by Defendant.
4. Unless otherwise indicated, words spelled in this Order and Judgment Granting Final Approval of Class Action Settlement ("Final Order and Judgment") with initial capital letters have the same meaning as set forth in the Settlement Agreement.

5. The Court, having reviewed the terms of the Settlement Agreement submitted by the Parties pursuant to Federal Rule of Civil Procedure 23(e)(2), grants final approval of the Settlement Agreement and for purposes of the Settlement Agreement and this Final Order and Judgment only, the Court hereby finally certifies the following Settlement Class:

All individuals whose Private Information was compromised or potentially compromised in the Data Security Incident.

Specifically excluded from the Settlement Class are:

(1) the judge presiding over this Action, and members of their direct families; (2) the Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which the Defendant or its parents have a controlling interest and their current or former officers, directors, and employees; and (3) Settlement Class Members who submit a valid Request for Exclusion prior to the Opt-Out Deadline.

6. The Settlement was entered into in good faith following arm's length negotiations and is non-collusive. The Settlement is in the best interests of the Settlement Class and is therefore approved. The Court finds that the Parties faced significant risks, expenses, delays, and uncertainties, including as to the outcome, including on appeal, of continued litigation of this complex matter, which further supports the Court's finding that the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class Members. The Court finds that the uncertainties of continued litigation in both the trial and appellate courts, as well as the expense associated with it, weigh in favor of approval of the settlement reflected in the Settlement Agreement.

7. The Settlement Agreement provides, in part, and subject to a more detailed description of the settlement terms in the Settlement Agreement, for:

- a. Claims Administration as outlined in the Settlement Agreement whereby Settlement Class Members can submit claims that will be evaluated by a Claims Administrator.
- b. Defendant to pay all costs of Claims Administration from the Settlement Fund, including the cost of the Claims Administrator, instituting Notice, processing and administering claims, and preparing and mailing checks.
- c. Defendant to pay, subject to the approval and award of the Court, the reasonable attorneys' fees, costs, and expenses of Class Counsel and a Service Award to the Class Representative from the Settlement Fund.

The Court readopts and incorporates herein by reference its preliminary conclusions as to the satisfaction of Federal Rule of Civil Procedure 23(a) and (b)(3) set forth in the Preliminary Approval Order and notes that because this certification of the Settlement Class is in connection with the Settlement Agreement rather than litigation, the Court need not address any issues of manageability that may be presented by certification of the class proposed in the Settlement Agreement.

8. The terms of the Settlement Agreement are fair, adequate, and reasonable and are hereby approved, adopted, and incorporated by the Court. Notice of the terms of the Settlement, the rights of Settlement Class Members under the Settlement, the Final Fairness Hearing, Plaintiffs' application for attorneys' fees, costs, and expenses, and the Service Award payment to the Class Representatives have been provided to Settlement Class Members as directed by this Court's Orders, and proof of Notice has been filed with the Court.

9. The Court finds that the notice program, set forth in the Settlement Agreement and effectuated pursuant to the Preliminary Approval Order, was the best notice practicable under the

circumstances, was reasonably calculated to provide and did provide due and sufficient notice to the Settlement Class of the pendency of the Action, certification of the Settlement Class for settlement purposes only, the existence and terms of the Settlement Agreement, and their right to object and to appear at the final approval hearing or to exclude themselves from the Settlement Agreement, and satisfied the requirements of the Federal Rules of Civil Procedure, the United States Constitution, and other applicable law

10. The Court finds that Defendant has fully complied with the notice requirements of the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

11. As of the Opt-Out deadline, _____ potential Settlement Class Members have requested to be excluded from the Settlement. Their names are set forth in **Exhibit A** to this Final Order and Judgment. Those persons are not bound by the Settlement Agreement and this Final Order and Judgment and shall not be entitled to any of the benefits afforded to the Settlement Class Members under the Settlement Agreement, as set forth in the Settlement Agreement.

12. _____ objections were filed by Settlement Class Members. The Court has considered all objections and finds the objections do not counsel against Settlement Agreement approval, and the objections are hereby overruled in all respects.

13. All Settlement Class Members who have not objected to the Settlement Agreement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

14. The Court has considered all the documents filed in support of the Settlement, and has fully considered all matters raised, all exhibits and affidavits filed, all evidence received at the Final Fairness Hearing, all other papers and documents comprising the record herein, and all oral arguments presented to the Court.

15. The Parties, their respective attorneys, and the Claims Administrator are hereby directed to consummate the Settlement in accordance with this Final Order and Judgment and the terms of the Settlement Agreement.

16. Pursuant to the Settlement Agreement, Defendant, the Claims Administrator, and Class Counsel shall implement the Settlement in the manner and timeframe as set forth therein.

25. This Final Order and Judgment and the Settlement Agreement, and all acts, statements, documents, or proceedings relating to the Settlement Agreement are not, and shall not be construed as, used as, or deemed to be evidence of, an admission by or against Defendant of any claim, any fact alleged in the Litigation, any fault, any wrongdoing, any violation of law, or any liability of any kind on the part of Defendant or of the validity or certifiability for litigation of any claims that have been, or could have been, asserted in the lawsuit.
